

Mental Health Awareness Half Day Workshop Great Dunmow 2nd September 2019

Description

An introductory four hour session to raise awareness of mental health. It is designed to give:

- An understanding of what mental health is and how to challenge stigma
- A basic knowledge of some common mental health issues
- An introduction to looking after your own mental health and maintaining wellbeing
- Confidence to support someone in distress or who may be experiencing a mental health issue

Learning takes place through a mix of presentations, group discussions and workshop activities. Limited to 16 places so that the instructor can keep people safe and supported while learning.

You will receive:

- An MHFA manual to refer to whenever you need it
- A workbook including a helpful toolkit to support own mental health
- A certificate of attendance to say you are Mental Health Aware
