

SAFER
at **HOME**

A new FREE* service for Uttlesford residents who need some help to stay safe at home.

We have a small team available to help residents feel safer in their homes, by undertaking tasks such as installing key safes for secure carer access, handrails and making sure steps at entrances are level and safe.

To find out more please call:

01371 878 400 or email:
info@cvsu.org.uk

www.cvsu.org.uk

*Free service available to disabled, elderly or vulnerable residents. A home visit will be conducted to confirm eligibility before work is undertaken. You may be asked to contribute to the cost of materials depending on circumstances.

We want to reduce trips and falls, which can have a huge impact on a person's wellbeing. We also want to help people to be better connected, through using digital equipment such as video doorbells and computer tablets to make calls, buy shopping and order repeat prescriptions.

WHAT HELP IS AVAILABLE?

Our handy person can come to your property and install a key safe, check that pathways are clean and clear, add grab rails at entrances and also conduct an in home fall assessment to look for other potential hazards – such as trailing wires, worn carpet, loose rugs, unsecured stairs etc.

We also encourage residents to use the range of digital devices available

such as video doorbells, voice controlled lights and computer tablets that can make video calls, book GP appointments, order shopping and place repeat prescription requests.

Safer at Home includes our popular 'Green Matters' garden rescue service aimed at the vulnerable, elderly and disabled residents of Uttlesford who have lost control of their gardens. We can help to make your garden a safer and nicer place to be.

VOLUNTEER

We are recruiting neighbourhood volunteers to help with routine maintenance such as grass cutting, weeding, hedge trimming. If you have some spare time to help a neighbour with their garden, please email: gardenvolunteers@cvsu.org.uk
